

Horticulture Apprenticeship

northern groundcare

Your Opportunity to kick start a career in Landscaping with
Yorkshire's Premier Commercial Landscaping and Fencing Company

Who are Northern Groundcare Ltd?

Northern Groundcare Ltd is a well-established business of 20 years, based in Dinnington - South Yorkshire, supplying and installing Landscaping and Fencing to commercial blue - chip house builders' projects across the Yorkshire, Humberside and Midlands areas.

We presently employ over 60 people who have vast experience in the Landscaping and Fencing Industry.

Our customers are UK industry leading Home Builders such as Keepmoat, Engie, Lovells, Miller Homes, Strata, Avant Homes, Starfish, Linden Homes just to name but a few.

Apprenticeship Qualification and The Sheffield College

In partnership with The Sheffield College, the Horticultural Apprenticeship will be a 2year City and Guilds Level 2 Diploma in Work-Based Horticulture. Functional Skills level 1.

This is a Permanent fulltime apprenticeship role, which will carry Industry recognised qualifications, and provide you valuable skills for your future career development within the company.

This apprenticeship qualification gives you a great opportunity to focus on our key areas of the business, and will provided the opportunity, and once qualified, to work towards a team leader in either Fencing or Landscaping to help you develop your future earnings and experience.

What do Northern Groundcare Ltd offer you?

Northern Groundcare are based from our Dinnington Site - S25 3RF, where you will undertake training and development in all aspects of our business.

You will become a key part of our On-site teams.

In our apprentice programme you will be supported by our dedicated trainers and On-site teams to enable you to develop your skills and abilities within our fast-moving construction and landscaping environment.

In the training programme, you will travel daily from our Dinnington base to a collection of new build construction sites over the region. At these sites you will receive specific duties and training, from our experienced team members, giving you the ability to develop and achieve both Fencing and landscaping related experience and qualifications.

Our aim of our apprenticeship programme is to let you achieve your goals, and in return produce our next generation of Team leaders and valuable members for our company.

Your Benefits

This is a Permanent fulltime apprenticeship role, which will carry Industry recognised qualifications, and provide you valuable skills for your future career development.

We will provide you with Company uniform workwear so you will look the part, along with all your Personnel Protective Equipment and Tools.

Any apprenticeship needs to work for you, and your end goals may not just only relate to qualifications, but to include work and life skills along with the ability to increase your potential earnings.

During your apprenticeship you will be part of our OnSite bonus scheme. Working as part of a team, you will share the team's success, while developing your experience and qualifications.

Is this Apprenticeship for me?

You will need to really enjoy the outdoors, as our British weather is very changeable, and you need to be aware that when working On site it can be Nice and Sunny in the summer but in Winter very Cold and wet.

Don't let this put you off, as these conditions and elements will be part of learning life skills in the work place.

As we work from and back to our base in Dinnington, you will need to be punctual, and have the ability to travel to and from your workplace by public transport or use your own transport.

You will have a desire to develop as a person, with a willingness to work as part of a team, show you are "a can do person", personable, and confident.

The life skills that you will gain in our industry will stand you well for your future. Remember, It's great Landscaping in the Spring and Summer, but it does get cold in winter.

Are you up for the challenge?

How do I apply?

Simply call the Sheffield College on 0114 260 2600 or visit their website - www.sheffcol.ac.uk.

The Sheffield College logo consists of a yellow square with the text "The Sheffield College" in black, stacked vertically.

To apply for the apprenticeship on the website. Go to the Apprenticeship tab on the home page, go to quick links on the apprenticeship page, Click on the latest Apprenticeship Vacancies, Enter Northern Groundcare in the Select a company search box and click search icon.

Then just apply.

We really are looking forward to training the next generation of Landscapers.

We Believe in Apprenticeships, We know you are our future.
